BRIEF ABSTRACT OF LETTER.

Reports that the Inam village was leased out permanently in 1910 by the late Archaka Shamachar, and that the leased properties are always a source of doubtful income as endowments, and recommend therefore that the lands may be converted into cash and the temple expenses are met from the interest carning of the sale proceeds etc.

Submits a copy of the details Inam Register pertaining to the Grant of Kayamputta Kadabana halli Village to Sri Anjaneya Swamy temple at Sakleshpura

It is seen from the Inam Register that the above Village was granted under a Sanad to one Gedatam Annayachar as Kayamputta tenure and its Resumption was ordered finally in the Inam Settlement of Dec. 1847

Again on a re-consideration, it was again ordered in July 1885, that the Resumption should be cancelled, and the Village confirmed as Kayamputta on an annual assessment of Rs 30/- so long as the Denadaya Service viz worship in Sri Anjaneya Swamy temple at Sakleshpura, is duly performed.

Orders solicited on the A.C.'s recommendation contained in the last para of Sl. 1 viz to sell the lands in the Village after cancelling the Inam tenure the realizations being invested in suitable Paper to be purchased in the name of the institution, and a scale fixed according to the extent.

Three points are raised

(1) Enfranchisement of the Khasgunjettee Karabanhalli village

(2) Sale of the lands & investment of net proceeds in Cash Securities so as to earn interest

(3) Steps to be taken to do it.

It is undoubtedly true that Conversion of Landed Estates (Devadaya) into Cash would be a measure of financial convenience under present day Economic Standards and result in what also comparatively less cost of management and as a general measure might be desirable. But as this village is not likely to be the only village so alienated in Mysore, as a general principle, whether Compensation should be allowed in such cases or if so, on what scale, whether the Conversion of such landed estates into Cash would serve the purposes of the Grant and whether by such Conversion and investment, the Services at present received in Kind (in the present case it is only Cash of Rs 100/-) which the Services can be adequately replaced by a monetary level with a changing index of prices from time to time ~~can~~ have to be considered.

Instead, it is a matter for consideration if, ~~whether~~ without departing from our principles adhering upon, the Lease for 10 years as proposed by the Alienor may not be ~~sd~~ as a special case in ~~the~~ this

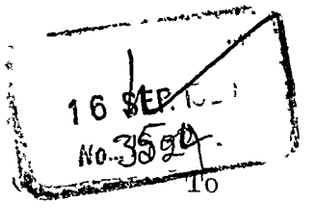
FROM

A. K. Syed Taj Pecran, Esq., B.A.,
~~The~~ Muzrai Commissioner in Mysore.



To

P. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of his
Highness the Maharaja of Mysore,
Financial Department.

SIR,

In submitting herewith records received from the Deputy Commissioner Hassan District with his letter No.1244-28, dated the 23rd May 1929 (copy enclosed), in the matter of resuming the kayamgutta Kadabanahally village in the Manjarabad Taluk, endowed to the Sri Anjaneyaswamy temple at Saklespur, I have the honor to state as follows.-

The kayamgutta village of Kadabanahally in the Manjarabad taluk, endowed to the Sri Anjaneyaswamy temple at Saklespur, was till 1910 in the possession of Archak Shamachar, who then alienated the village to one Sanne Gowda of Saklespur for an annual gutta of Rs.100/-. This alienation of devadaya inam lands was noticed by the local officers and an explanation of both the alienor and the alienee was called for. It is reported that Archak Shamachar pleaded his inability to pay the lessee his costs and redeem the property. The lessee, Mr. Sannegowda, is said to have stated that the inam village was transferred to him through a duly registered deed for an annual gutta of Rs.100/-. The lessee, being now dead, his son Mr. Sonne gowda prays that the inam village may be continued to him for cultivation on the same gutta of Rs.100/- as was previously agreed to by the Archak. When the Sub Division Officer took up this case for enquiry, Mr.Sonne Gowda is said to have stated that he had no objection to restore the

inam lands to Government, provided adequate compensation awarded to him as he had spent a large sum for improving the land. Shamachar the lessor, is also now dead. His eldest son Raghavendra char stated before the Sub Division Officer that his father executed the lease deed through ignorance and inducement, that the transaction was invalid, and that he could not afford to pay any compensation to the lessee. In these circumstances, the Sub Division Officer recommended that the inam tenure of the village be cancelled, and the village resumed to Government and lands therein disposed of as Government land after the introduction of Survey and Settlement into the village, the temple being given a cash grant of Rs.120/- per annum. Agreeing with the Sub Division Officer the Deputy Commissioner requested that sanction of Government may be obtained (1) for the cancellation of the inam tenure of the kayamgutta Kadabanahally village & (2) for its sale in public auction after introducing survey & Settlement therein and (3) also for the grant of an annual cash grant of Rs.100/- for the temple of Sri Anjaneyaswamy at Saklespur in lieu of the inam village to be resumed.

As regards the award of compensation claimed by the lessee, the Sub Division Officer computes it at Rs.1000/- and recommends that it may be met from the realizations of about Rs.2000/- to Rs.3000 to be realized by the sale of the lands. The Deputy Commissioner on the other hand, states that the lessee may be left to himself to claim the compensation from the heirs of the lessor and that Government cannot compensate him in any way.

In his subsequent communication No.Muz.C.1244-28, dated the 13th August 1929 (copy enclosed), the Deputy Commissioner, while submitting a petition from Mr. P.S.Some Gowda, son of the lessee, praying that the village may be leased out to him for a period of 10 years for an annual gutta of Rs.100/- as he is unable to recover Rs.3500/- spent by him on the improvements of the village from the alienor Archak who has no means, states that the petitioner's case is deserving of sympathetic consideration, since the petitioner cannot claim anything from the alienor.

If the archak is a pauper and the lessee took the village with his eyes wide open, on permanent lease, there is no reason why the institution should suffer on that account. I think that landed properties are always a source of doubtful income as endowments. I am therefore of opinion that it would be much better if these -- lands are converted into cash and the expenses of the temple are met out of the interest earned on the sale proceeds of the land. I therefore beg to recommend that the lands in the village may be ordered to be sold, after getting the tenure of the village ---- altered from Inam to circar and the realizations invested in --- Government paper to be purchased in the name of the institution, and a scale fixed according to the income.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

etter No.1244-28 dated 22nd May 1929 from the Deputy Commissioner, Hassan District to the Muzrai Commissioner in Mysore.

Subject:- Re. resumption of the Khayamgutta kadabanahally village in the Manjarabad Taluk endowed to the temple of Anjaneyaswamy at Saklespur.

I have the honor to forward herewith the vernacular records relating to the above ending with the Saklespur Sub Division Officer's letter No.A1.C.65-28 dated the 7th May 1929 wherein facts of the case have been fully explained and to state as follows:--

2. The permanent lease of the village effected in 1920 by the -- Archak Shamachar in favour of late Mr. Sannegowda is quite invalid. As per para 3 in page 72 of the Mysore Muzrai Regulation, the lessee may be left to himself to claim such compensation as he may from the heirs of the lessor; the Government cannot compensate him in any way.

3. The village in question is situated in the Malnad tract wherein the scarcity of labour is keenly felt by the land lords. The records disclose that it would not be possible for the Archaks to get these lands cultivated on their own responsibility and that no cultivator would accept the lease of the same unless it is a permanent or a long standing one. The temple lands could not be permanently leased out under the standing orders of Government.

4. The present lease being invalid as stated above, I have ordered the resumption of the inam village and I am of opinion that it may be sold in public auction as sarcar land, the temple being given an annual cash grant of Rs.100/-, the sum which it was all along getting from this village. In these circumstances, I request that sanction of Government may kindly be obtained (1) for the cancellation of the inam tenure of the khayamgutta Kadabanahally in the Manjarabad Taluk (2) for its sale in public auction after introducing survey and settlement therein and (3) also for the grant of an annual cash inam of Rs.100 for the temple of Anjaneyaswamy at Saklespur, in lieu of its inam - village to be resumed.

The holder brings to notice that the Service ordained to be performed by the original grantee has been uninterruptedly kept up. Considering the fact that the condition of Service ceased after restoration of Village to the original grantee, it was not necessary for him to have spent any money on this account: He is also allowed to the of Archek to the temples of Any ancyasawami which is in the receipt of money allowances from Govt besides an endowment in Inam land.

Another circumstance brought to notice is that since the last 3 years more than half of the lands of the Village has been left uncultivated to the Construction of a Road (Hosur Chinnora pura Road) through cultivated lands by which the drainage which was flowing downwards has been obstructed and that the Inamdar's Request for assignment of fresh land in lieu of that taken up for the road and the Construction of a drain for bringing down the drainage from high lands has not been taken notice of. In case the recommendation made for resumption of the Village is approved of the assignment of land need not be considered except from the instructions of Govt.

Shortly after the grant, the Village was managed by the father of the present enjoyer at the direction that the Amildar pro tem the Village should be ~~deducted~~ devolved on account of lands to Bhagirathi devaru of Sakleshpur. This it is said was owing to the grantee having a dependent of Gadastore Taluk to which he wished to appropriate the unprofitable character of the Village The 3rd also mentioned in Col 7 which is a Sagavali Chit from the Amildar explained by the party in col 10 is this by fiat to him by me that his father had to hold the Village in the management for 12 years he transferred the same after that period to the original grantee, that he cannot say what the grantee did after wards, that as the Village was by unequivocal vested his father obtained the same for cultivation from the Amildar And that the presumes from the intention of the words as per Huzur orders in the Sagavali Chit that the grant might have been made to his father on the same terms as they are with proper authority which however he is unable to explain. No reference in the Satpeel-speke - revival of the Kayam gutta could be traced out: Had there been any grant to the father of the present enjoyer there Sannad should have been produced in the accounts which is not the case. For the other accounts shew the manner by which he came to hold the Village, but it is remarkable that the allowance to the Sagavali Chit is omitted. It is also clear to me that the above in the Amildars Huzur orders was to 7 to 2

From these circumstances I think the Inam lapsed to Govt by the original grantee having abandoned the Village without making Arrangements for the payment of the ~~present~~ Peishcush and that the subsequent grant by the Amildar under a Sagavali Chit was purely an act of his own The possession of the Village does not seem, however, to have been questioned at any time since

R e a d :- Petition dated 15th March 1882, from Srinivasachari of Kadabanahalli, in the Manjarabad Taluk complaining of the resumption of the Kayamgutta village of Kadabanahalli by the Inam Department.

Inam Superintendent's letter no.67 dated 14th February 1882 forwarding the Inam Register in the case.

=====

Order thereon Camp No.779-80/Camp Mysore, Dated 11th July 1885

The village of Kadabanahalli in the Manjarabad Taluk was granted on the Kayamgutta tenure by nirup of His Highness the Maharaja, dated 15th January 1820, to Annaiyachari. On 10th October 1820 Annayyachari transferred the grant to Kesavachar (Ancester of the present holder) Archak of Anjeneya temple at Sakalespur on the condition that the net profits of the village should be used for the service in the said temple. There is no doubt whatever of the genuineness of the documents above referred to nor of the possession on Kayamgutta tenure by Kesavachar and his heirs ever since 1820.

The Inam Superintendent has resumed the village on the strength of the saguvali chit dated 8th January 1824 granted by the Amildar to the said Kesavachar. This saguvali chit cannot be held in any way to modify or cancel the previous grant under His Highness the Maharaja's Nirup. The saguvali chit was probably obtained by Kesavachar from interested motives with the wish, apparently, of being able to hold the village in his own individual right un-hampered by the conditions of the grant to him from Annayyachari. But it is not right that upon any such presumption the grant made by competent authority so far back as 1820 should be cancelled especially when the village has ever since been in the enjoyment of the grantee, assignee Kesavachar and his heirs.

The Superintendent of Inam settlement will accordingly be requested to restore the village on the khayamgutta tenure fixing the amount of rent payable by the present holder.

The Muzrai Department must see that the proceeds of the village are properly applied ~~to~~ in accordance with the directions of the original grantee Annayyachari.

C.R.G.2.

Letter No. 1900 of 1928-29 dated the 16th September 1929 from the Muzrai Commissioner in Mysore, to the Secretary to Government, Financial Department.

In submitting herewith records received from the Deputy Commissioner, Hassan District, with his letter No. 1244-28 dated the 22nd May 1929 (copy enclosed) in the matter of resuming the Kayamgutta Kadabanahalli village in the Manjarabad Taluk, endowed to the Sri Anjaneyaswami temple at Saklespur, I have the honor to state as follows:-

The Kayamgutta village of Kadabanahalli in the Manjarabad Taluk, endowed to the Sri Anjaneyaswamy temple at Saklespur, was till 1910 in the possession of Archak Shamachar, who then alienated the village to one Sannegowda of Saklespur for an annual gutta of Rs. 100/- This alienation of devadaya Inam lands was noticed by the local Officers and an explanation of both the alienor and the alienee was called for. It is reported that Archak Shamachar pleaded his inability to pay the lessee his costs and redeem the property. The lessee, Mr. Sannegowda is said to have stated that the Inam village was transferred to him through a duly registered deed for an annual gutta of Rs. 100/-. The lessee, being now dead, his son Mr. Sannegowda prays that the Inam village may be continued to him for cultivation on the same gutta of Rs. 100/- as was previously agreed to by the Archak. When the Sub-Division Officer took up this case for enquiry, Mr. Somegowda is said to have stated that he had no objection to restore the Inam lands to Government, provided adequate compensation was awarded to him as he had spent a large sum for improving the land. Shamachar the lessor, is also now dead. His eldest son Raghavendrachar stated before the Sub-Division Officer that his father executed the lease deed through ignorance and inducement, that the transaction was invalid, and that he could not afford to pay any compensation to the lessee. In these circumstances, the Sub-Division Officer recommended that the Inam tenure of the village be cancelled, and the village resumed to Government and lands therein disposed of as Government land after the introduction of Survey and Settlement into the village, the temple being given a cash grant of Rs. 120/- per annum. Agreeing with the Sub-

Division Officer, the Deputy Commissionerrequested that sanction of Government may be obtained (1) for the cancellation of the Inam tenure of the Kayamgutta Kadabanahally village & (2) for its sale in public auction after introducing Survey and Settlement therein and (3) also for the grant of an annual cash grant of Rs. 100/- for the temple of Sri Anjaneyaswamy at Saklespur in lieu of the Inam village to be resumed.

As regards the award of compensation calimed by the lessee, the Sub Division Officer computes it at Rs. 1000/- and recommends that it may be met from the realisations of about Rs. 2000/- to Rs. 3000/- to be realised by the sale of the lands. The Deputy Commissioner on the other hand, states that the lessee may be left to himself to claim the compensation from the heirs of the lessor and that Government cannot compensate him in any way.

In his subsequent communication No. Mus. C.1244-28 dated the 13th August 1929 (copy enclosed) the Deputy Commissioner, while submitting a petition from Mr. B.S. Somegowda, son of the lessee, praying that the village may be leased out to him for a period of 10 years for an annual gutta of Rs. 100/- as he is unable to recover Rs. 3000/- spent by him on the improvements of the village from the alienor Archak who has no means, states that the petitioner's case is deserving of sympathetic consideration, since the petitioner cannot claim anything from the alienor.

If the Archak is a pauper and the lessee took the village with his eyes wide open, on permanent lease, there is no reason why the institution should suffer on that account. I think that landed properties are always a source of doubtful income as endowments. I am therefore of opinion that it would be much better if these lands are converted into cash and the expenses of the temple are met out of the interest earned on the sale proceeds of the land. I therefore beg to recommend that the lands in the village may be ordered to be sold, after getting the tenure of the village altered from Inam to Sircar and the realizations invested in Govt. paper to be purchased in the name of the institution, & a scale fixed according to the income.

With reference to your No.1900/29-30 dated 16-6-30 on the above subject, I have the honor to state that it is reported that the services in the temple are being properly performed with the exception of "Sanivaraseva". The net profits of the village i.e. Rs 67-3-0 excluding the Khayamgutta amount of R. 32-13-0 are being utilised by the Archak for the performance of the Sevas and no other payment is being made to the Archak for the purpose.

The temple is reported to be in good condition. The present Archak Annaiahcharya has given a statement before the Amildar on 18-7-30 that the temple was built by his ancestors and that he is executing necessary annual repairs to the temple in addition to the performance of Nityakatle Sevas in the temple.

Sir,

(57)

With reference to your letter No. 2795/Muz.92-29-7 dated 9th June 1930 calling for my opinion on the proposal of the Muzrai Commissioner to resume the village of Kayamgutta Kadabanahalli, Nanjarajpad Taluk, on the ground of its having been alienated by the Archak in possession, I have the honor to state that as the Government order No.779-80/Camp Mysore dated 11th July 1885 confirmed the terms of the alienation of the village by Annayyachar to Kesavachar and directed that the Muzrai Department should see to the due compliance by Srinivasachar, son of -- Kesavachar, with the terms of the grant by Annayyachar to Kesavachar, I find it difficult to agree to the proposal that the village should be resumed. There is nothing in the Inam Register relating to the grant by Government of the Khayamgutta village Kadabanahalli to Annayy-2- char which imposes any restriction on the grantee Annayyachar's power of alienating the village. In the absence of such a restriction the transfer by Annayyachar of the village to Kesavachar subject to the latter devoting the net income of the village to the Anjaneya temple was regular and legal. This arrangement received the express confirmation of Government in their order of 1885 on a representation by Kesavachar's heir, Srinivasachar. Even in this order there is no direction that Srinivasachar was not to alienate the property or that his powers of alienation were in any way limited. I am therefore of -- opinion that the grant of a lease in perpetuity by Srinivasachar's heir, Shamachar, to Sonnegowda at an annual rent of Rs. 100/- to be paid to the Anjaneya temple is neither illegal nor irregular.

It is however a point for consideration in view of the condition

condition imposed by the terms of the grant to Kesavachar and that the entire net income should be devoted to the Anjaneya temple whether a rent of Rs. 100/- per annum for a Khayamgutta village of 114 acres is a fair equivalent to the net income of the village.

Subject:- Re the resumption of Kayamgutta Kadabanahalli village endowed to Sri Anjaneyaswami temple at Saklespur -- Manjarabad Taluk.

SIR,

With reference to your letter No.1191/Muz.92-29-11 dated --- 24/26th November 1930 on the above subject, I have the honor to -- state that the Deputy Commissioner has, in his letter No.C.1244-28 dated 8th April 1931, stated that a rent of Rs.100/- per annum is a fair equivalent to the net income of the village. It appears from the records that the village being in a forest and thinly populated area, and the natural conditions being unfavourable only persons - having proper resources can undertake to bring the area under ----- cultivation. It appears that the archak has no resources to maintain the village in proper condition. The party now in possession i.e Somegowda, is not willing to pay more than Rs.100/- per annum. In these circumstances, the rent of Rs.100/- p.a. may be taken as a fair equivalent of the net income from the village.

In the course of the resumption proceedings, the party i.e., Somegowda, has petitioned to the Deputy Commissioner that he may be permitted to retain the land for 10 years on a gutta of Rs.100/- per year to enable him to recoup the amount he has already invested for improving the land. The Deputy Commissioner has accordingly proposed the lease of the land to Somegowda for 10 years on a rental of Rs.100 per annum which, I recommend, may be kindly sanctioned.

With reference to your memo No. 1900/28-29 dated 11th December 1930 on the above subject, I have the honor to state as follows:-

The Amildar of Manjarabad taluk who was asked to ascertain and report, if Rs.100/- is a fair equivalent to the net income of the --- village has made enquiries and is of opinion that the income is not -- more than Rs-100/- per annum. The Sub Division officer also concurs with the opinion of the matter.

I request you, therefore, to kindly accept the annual income of the village to be Rs.100/- only as opined by both the Amildar and the Sub Division officer .

The alienee Sannegowda is dead and his son B.S.Somegowda has already presented a petition on 8th August 1929 agreeing to pay an annual gutta of Rs.100/- as per lease deed.(vide page 70 in the file)
